

Lista de publicações

R. B. Singer & M. Gutiérrez. 1997. "Reproducción y desarrollo larval del sapo enano *Melanophryniscus stelzneri stelzneri* (Weyemberg 1875) (Anura: bufonidae). Cuadernos de Herpetología (Asociación Herpetológica Argentina) 11 (1-2): 21-30.

R.B.Singer & A A. Cocucci 1997. "Eye attached hemipollinaria in the Hawkmoth and Settling Moth. Pollination of *Habenaria* (Orchidaceae): A study on functional morphology in 5 species from subtropical South America. *Botanica Acta* 110: 328-337.

R.B.Singer & A A. Cocucci 1997. Pollination of *Pteroglossaspis ruwenzoriensis* (Rendle) Rolfe (Orchidaceae) by beetles in Argentina. *Botanica Acta* 110: 338-342.

R.B.Singer & A A. Cocucci 1999. Pollination mechanisms in four sympatric southern Brazilian Epidendroideae orchids. *Lindleyana* 14(1): 47-56.

R.B.Singer & A A. Cocucci 1999. Pollination mechanism in southern Brazilian orchids which are exclusively or mainly pollinated by halictid bees. *Plant Systematics and Evolution*. 217: 101-117.

R.B.Singer & M. Sazima 1999. The pollination mechanism in the "Pelexia alliance" (Orchidaceae: Spiranthinae). *Botanical Journal of the Linnean Society* 131: 249-262.

R.B.Singer & A A. Cocucci 1999. Notas comparativas sobre *Odontorrhynchus castillonii* (Orchidaceae: Spiranthinae). *Kurtziana* 27 (2): 387-390.

R.B.Singer & M. Sazima 2000. The pollination of *Stenorrhynchos lanceolatus* (Aublet) L. C. Rich (Orchidaceae: Spiranthinae) by Hummingbirds in Southeastern Brazil. *Plant Systematics and Evolution* 223 (3-4).

R. B. Singer & M. Sazima. 2001. Flower morphology and pollination mechanisms in three sympatric goodyerinae orchids from Southeastern Brazil. *Annals of Botany* 88 (6): 989-997

R. B. Singer & M. Sazima. 2001. Pollination mechanism in three sympatric *Prescottia* (Orchidaceae: Prescottinae) species from Southeastern Brazil. *Annals of Botany* 88(6): 999-1005.

R. B. Singer. 2001. The pollination biology of *Habenaria parviflora* (Orchidaceae: Habenariinae) in Southeastern Brazil. *Darwiniana* 39 (3-4): 201-207

R. B. Singer 2002. The pollination biology of *Sauroglossum elatum* Lindl (Orchidaceae: Spiranthinae): moth-pollination and protandry in neotropical Spiranthinae. *Botanical Journal of the Linnean Society* 138(1): 9-16.

R. B. Singer & G. Gerlach. 2002. Prachtbienen und Orchideen. Neue Erkenntnisse und Anmerkungen zu Sudost-Brasilien. *J. fuer den Orchideenfreund*. 9(2): 139-149.

R. B. Singer 2002. The pollination mechanism in *Trigonidium obtusum* Lindl. (Orchidaceae: Maxillariinae): Sexual mimicry and trap-flowers. *Annals of Botany*. 89(2): 157-163.

R. B. Singer & S. Koehler 2003 : Notes on the pollination of *Notylia nemorosa* (Orchidaceae: Oncidiinae): Do pollinators necessarily promote cross-pollination? *Journal of Plant Research (Japan)*. 116: 19-25.

R. B. Singer & S. Koehler 2003. Toward a phylogeny of Maxillariinae orchids: multidisciplinary studies with emphasis on Brazilian species. *Lankesteriana* 7: 57-60.

R. B. Singer 2003. Orchid pollination: recent developments from Brazil. *Lankesteriana* 7: 111-114.

Flach A, Dondon CR, Singer RB, Koehler S, Amaral MEC & AJ Marsaioli. 2004. The chemistry of pollination in selected Brazilian Maxillariinae orchids: floral rewards and fragrance. *Journal of Chemical Ecology*. V30 (5): 1039-1050.

Singer RB & S Koehler. 2004. Pollinarium morphology and floral rewards in Brazilian Maxillariinae (Orchidaceae). *Annals of Botany*. 93: 39-51.

Singer RB, Flach A, Koehler S, Marsaioli AJ & MCE Amaral. 2004. Sexual mimicry in *Mormolyca ringens* (Orchidaceae: Maxillariinae). *Annals of Botany*. (online desde 31/03/2004 no site www.oupjournals.org). *Annals of Botany* 93 : 755-762.

Capítulo de Livro:

Singer RB, Sazima M (no prelo, publicação prevista para maio-junho de 2004)

Abelhas Euglossini como polinizadoras de orquídeas na região de Picinguaba, SP

In: Barros F, Kerbauy G (eds.), *Orquídeas no Brasil: uma compilação científica*. Instituto De Botânica de São Paulo, SP.
